FAMILY WINES

Dear 2022 CA Cuppers!

Thank you, thank you, thank you for making the return of the CA Cup, in its 19th year, such a memorable event. Thank you to the returning veterans for your loyalty. Thank you to the first-timers for your confidence in exploring a new pathway to develop business. Thank you to Visit Sacramento, Visit Yolo, the Hyatt Centric, Sacramento Airport, Visit CA and all of the local partners and vendors for helping bring to light yet another great CA region eager to welcome travelers from around the world. And of course, congrats to the Aussies for seizing the win.

The Cup prides itself on bringing together quality travel industry professionals to network and craft valuable relationships on which to build prosperous business in the future. In our return of the dedicated event, we celebrated 31 decision makers from 11 countries and over 20 newcomers as well as representation from five of Visit California's international offices. Since the Cup, many of you have already reported new business dealings, projects and collaborations, even between traditional competitors. It is very rewarding knowing the event is the catalyst in stimulating new business dealings, as is its intent.

A special shout out to Faith for her unlimited energy in splitting time between the necessary onsite operations and the home front. She went above and beyond in so many ways, even more than usual. And of course, there is Doug, who stepped in at the last minute and, as a rookie Cupper with an engineering twist, performed well. Even after 30 + years in the aeronautical industry, I don't think he has worked so hard! It takes a village to execute the Cup but without the "den mother" to ensure that everyone and everything is in the right place, it can all fall apart.

Already counting down to our 20th anniversary in Huntington Beach and hoping we can welcome you back for the (fab-u-lous) celebration!

Sincerely,  
Terry, aka, The GolfFather
