Dear friends...

I want to thank you all again for supporting our inaugural Jerry Weintraub Celebrity Pro-Am held at the Madison Club in December of 2018. My father would have loved the event and all the fun we had together supporting great causes.

“The Jerry” is establishing itself as a premier event modeled around my father and his attitude towards life...great people coming together for a party and a little golf while taking great pleasure in each other’s company.

This culmination of snapshots is simply a little reflection of the fun and camaraderie “The Jerry” offered...for old friends and new.

We look forward to seeing you next year and building upon the success of this first event.

Here’s to a successful 2019!

Enjoy,

Michael
